Iraqi investors participate in the Investment and Development Conference:

Iraqi investors recently participated in the Investment and Development Conference. This conference was designed for Arab businessmen and businesswomen in Egypt as well as investors from Qatar, UAE, Saudi Arabia, Kuwait, and Iraq. The participants called for lifting the barriers of transferring capital between Arab countries, finding solutions for the outflow of Arab capital to foreign countries, and activating the role of women as a major partner in the development and investment process.

The Ministry of Labor sent its staff to Germany:

The German institution, INWENT, is organizing training courses for vocational training centers in Baghdad and the governorates related to the Ministry of Labor and Social Affairs. Berlin, the capital of Germany, is hosting these courses from 29th of March to 27th of April. The courses aim to develop staff skills and teach them new experiences.

Construction

Constructing a civilian airport in Maissan governorate:

Recently an agreement approved the conversion of Al-Bateera military airport to a civilian airport. This was announced by Eng. Muhan Shabib, the head of the Reconstruction Committee in Maissan governorate council. Eng. Shabib said that the airport will be redesigned and funded either by governorate allocations or donors.
