Economy

The importance of time in the economic development:

The Al – Basra branch of the Iraqi Economy Development Center (IEDC) recently organized a session about time management. The session focused on time as an important concept in economic development, because one who cannot manage time cannot manage work either. Employees from the private and public sector attended this session.

Baghdad

A free zone on the Iraqi – Syrian border:

The Syrian News Agency stated on the 29th of May that the construction of a free zone between Iraq and Syria started on the 28th of May. The free zone will cost \$20 million.

Al - Mashreq

Industry

Small and medium size projects may put an end to the unemployment:

The Ministry of Industry and Minerals held a session on the 29th of May, in cooperation with the Al – Murtaqa Iraqi Association for Human Development, to discuss the role of small and medium size projects in putting an end to unemployment and improving the Iraqi economy.

Al – Dustor

Reconstruction

Businessmen and investors called to start reconstruction projects:

The governor of Al Dewaniyah governorate, Mr. Jalil Hamza, recently held a conference to discuss the development of public services and economy in the governorate. The governor invited businessmen and investors to start planning for reconstruction projects in the governorate. The conference was attended by businessmen and general directors representing public services directorates in the governorate.
